

Morrison Creek Gradient

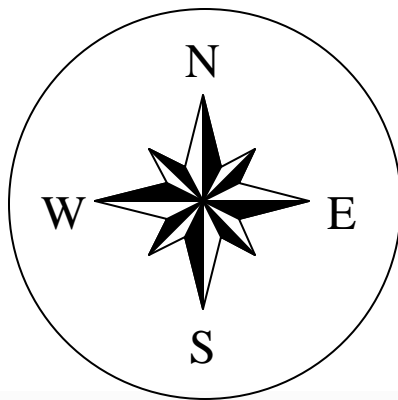

Legend

% Gradient data collected in 2001 and 2002 by Comox Valley Project Watershed technicians using Sensitive Habitat & Mapping Inventory (SHIM) methods.

Gradient (percent)

- Stream (RDCS Sensitive Habitat Atlas)
- Ditches
- Watershed Boundary
- Wetlands (Project Watershed)
- Wetlands (Sensitive Ecosystem Inventory)

Map Sheet 92F065
Scale 1:15,000

0.3 0 0.3 0.6 Kilometers

Universal Transverse Mercator
Zone 10 NAD 83

This map was created by Comox Valley Project Watershed Society, using linework produced for utilization in the 2003 version of the Comox Strathcona Sensitive Habitat Atlas. The aerial photo used for this map was taken in 2002. Only portions of the Atlas are displayed on this map. To view a complete version of the Sensitive Habitat Atlas contact the Regional District of Comox Strathcona.

Project Watershed and its partners are not responsible for damages resulting from any omissions, deletion or errors.

Map created March 2003
